

Auburn Warm-Up 2019

20th Annual Meet

June 7-9

The Auburn Warm-Up meet is fast approaching. Jack, Luci, Gretchen, and Michelle have been working to put together a great weekend for everyone. This year will be the 20th year for the Warm-Up meet. Our itinerary is still a work in progress, but here is what we have so far.

Friday, June 7, 2019

We will meet and depart from the Baymont Inn in Auburn, IN. Our first stop of the day is a tour of the **Fort Wayne TinCaps**, a Class A minor league baseball team. The name TinCaps was chosen in 2008 alluding to John Chapman, better known as "Johnny Appleseed". The Tin Cap refers to a fictional depiction of him wearing a cooking pot as a hat in an 1948 Disney movie. Lunch will be provided at the stadium. Next up is a tour of the **Fort Wayne Firefighters' Museum**. The museum is housed in the 1893 built Fire Station #3 building in downtown Fort Wayne. Almost all of the artifacts on display were once used by the Fort Wayne Fire Department. Late in the afternoon, we will tour **Auburn Gear**. Auburn Gear is a leading designer and manufacturer of custom engineered wheel drives, axle drive components, and specialty drives and solutions for diverse mobile equipment applications. The evening will conclude with catered dinner.

Saturday, June 8, 2019

We will meet and depart from the Baymont Inn in Auburn, IN. Our first stop of the day is Huntington, IN. We will tour **The Sweet Life Honey Farm**, a local business started when a nursing student took on a hobby of raising bees after a discussion in a chemistry class. Since then, she has researched the the properties/use of honey and her hobby turned into a small business. Lunch will be provided in Huntington. After lunch, we will tour a local **Car Collection/Museum**. Once we've had time to enjoy the automobile collection, we will head north...probably making a stop for some ice cream along the way! After returning to Auburn, catered dinner will be provided.
